

World Week for Peace in Palestine Israel  
22-28 September 2013

2013 Theme: “Jerusalem, the City of Justice and Peace”

An initiative of the Palestine Israel Ecumenical Forum (PIEF) of the World Council of Churches

Send a prayer or message of support to Christians in Palestine!

During World Week for Peace in Palestine Israel 2013, Christian congregations and people of faith worldwide will gather to worship and pray, to educate others and be educated, and to participate in acts of advocacy in support of an end to the Israeli occupation of Palestine and a just peace for all in Palestine and Israel.

In addition, this initiative also provides the opportunity for participants in the Week’s events to communicate directly with the Christian community in Palestine.

Indeed, our friends and partners in Palestine have told us that they want to hear from you, for it is important for the community to know that they have not been forgotten in the midst of this difficult time.

To that end, a number of Christian organizations in Jerusalem and the West Bank have shared their email addresses with us, and have made this simple request: Write to us. Offer us your prayers. Extend to us your wishes of support and encouragement.

These organizations in turn will share these prayers and messages of support with those who visit their centers, participate in their activities, and form their communities.

To send a prayer, word of support, or other message of hope and encouragement to the Christians of Palestine, simply write to one of the organizations below.
